## ▲TUMBLING TOTS

Tumbling Tots Open Gym is for **ages 5 and under** and meets on **Monday and Thursday from 10:30 am -11:30 am**. This is a non-instructional time for you and your child to play, exercise, explore, meet new friends and develop balance, agility and strength on the different surfaces and equipment we have. The cost is **\$7 per child** for ages 13 months and older (ages 12 months and younger are free).

We ask that you stay in the general vicinity of your child to make sure their safety is ensured. Please make sure you help them on any equipment they climb on. Please make sure you are courteous, considerate and patient of other children and parents. This is a safe and friendly place for kids. Please be mindful that many of them are young and learning how to relate to others regarding sharing, waiting turns, etc. If you have a question or concerns please see any of our staff. Shoes should be left under the benches and cups placed on the back of the benches where other children can't reach them. Please do not eat in the gym. You are welcome to have a snack in the lobby area.

## ▲FREQUENT FLIPPER

We offer a frequent flipper card that gives Tumbling Tots **11 visits for \$70 (\$6.36 per visit)**. The card can be used on multiple children and never expires. The frequent flipper card is held on file at the GymTech office so that parents and guardians can bring their tumbling tot without the stress of remembering to bring a card.

## TECH TIME OPEN GYM

Tech Time Open Gym is for **ages 5 and up** and is held every **Saturday from 5:30 pm-8:30 pm**. Parents or guardians may drop their athlete(s) off or are welcome to stay and play as well.

This includes 3 hours of supervised play, exercise, and fun. Athletes can have fun practicing skills they have learned in our programs and release energy in a healthy environment. You do not have to be a student at GymTech to attend. All athletes must have a waiver signed by their parent or guardian before they can participate.
